WIRES

Mini Handsfree.
Simplicity at its most
stylish.

The Mini family features a simple design without compromising on versatility. The white Handsfree version with full-duplex audio is equipped with a 16/9 4:3" colour screen offering colour, contrast and ringtone volume adjustment, in addition to melody customisation.

Mini

Mini with handset and colour or black and white monitor. Simple and versatile.

The version with handset has a 16/9 4:3" black and white or colour screen. Practical and efficient, it offers brightness, contrast and ringtone volume adjustment, in addition to melody customisation.

Mini

2
WIRES

Mini Deluxe. "Full option"
efficiency.
And a stylish soft-touch finish.

The elegance of black meets the convenience of the "full option" selection, to achieve the highest aesthetic standards. This original version offers the handset with soft-touch finish and 8 buttons as standard, in addition to the functions of the Mini device.
